```

The diagram illustrates a file dependency structure. At the top is a gray box representing a header file: /home/gui/Desktop/MINIX-LCOM/shared/proj/src/devices/timer/i8254.h. Below it are two white boxes representing source files. The left box is /home/gui/Desktop/MINIX-LCOM/shared/proj/src/devices/timer/timer.c, and the right box is /home/gui/Desktop/MINIX-LCOM/shared/proj/src/proj.c. Two blue arrows point from the source files up to the header file, indicating that both source files include this header.

/home/gui/Desktop/MINIX
