Register selection  
for Control Word

```
graph LR; A[Register selection for Control Word] --> B[i8254 Macros];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'i8254 Macros'. The box on the right is gray with a black border and contains the text 'Register selection for Control Word'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the register selection to the macros.
